### **FOOD and BEVERAGES**

For **LUNCHES** we recommend the „Mensa“ at the University Campus. To enhance the payment procedure, please buy a coupon in the conference office (Euro 8,- per meal per day) **in advance** and hand it over at the cash desks in the Mensa. Inside the Mensa there will be an area reserved for INVEST attendees.

If you prefer a **SNACK** only (sandwiches, rolls, sausages etc.) during lunch time, there is one cafeteria in building GW2, and another one side by side with the Mensa. Soft **DRINKS** are also available. Please pay directly at the cashier.

**BEVERAGES:** Coffee, tea and water are free at the conference coffee corner close to the conference office. For other drinks please visit the cafeterias.

Food and beverages are free during the ICEBREAKER on Tuesday evening and during the conference DINNER on Wednesday evening.
