

<p>Prof. Dr. Kai-Uwe Hinrichs Organic Geochemistry Group, Head Department of Geosciences & MARUM Center for Marine Environmental Sciences University of Bremen, PO Box 330 440 D-28334 Bremen, Germany</p>	<p>Tel: 0421-218-65700 Fax: 0421-218-65715 Email: khinrichs@uni-bremen.de Web: http://www.marum.de/English/Kai-Uwe_Hinrichs.html</p>
--	---

Born: 6. November 1963

Family status: married, three children

EDUCATION:

- 2/1994 **Diploma (equiv. to M.Sc.)**, major in Chemistry, University of Oldenburg, Germany, thesis in Organic Geochemistry, Institute for Chemistry and Biology of the Marine Environment (ICBM), Advisor: Prof. Jürgen Rullkötter
- 5/1997 **Ph.D.**, University of Oldenburg, ICBM, Germany, thesis in Organic Geochemistry, Advisor: Prof. Jürgen Rullkötter
- 10/1997 – 7/2000 **Postdoctoral Fellow/Investigator**, Department of Geology & Geophysics, Woods Hole Oceanographic Institution (WHOI), Molecular-Isotopic Biogeochemistry, Advisor: Prof. John M. Hayes

APPOINTMENTS:

- 5/2004 – present **Full Professor** (W3), Dept. of Geosciences, University of Bremen
- 3/2004 – present **Adjunct Scientist**, Dept. of Geology & Geophysics, WHOI
- 10/2002 -4/2004 **Associate Professor** (C3), Dept. of Geosciences, University of Bremen
- 7/2000 – 12/2002 **Assistant Scientist**, tenure-track, Dept. of Geology & Geophysics, WHOI
- 10/1997 – 6/2000 **Postdoctoral Investigator/Fellow**, Dept. of Geology & Geophysics, WHOI
- 6/1997 – 8/1997 **Guest Investigator**, Dept. of Geosciences, University of Bremen
- 3/1994 – 5/1997 **Research Assistant**, ICBM, University of Oldenburg

SELECTED PROFESSIONAL ACTIVITIES:

- **Participation in seagoing expeditions:** ODP Leg 155 (1994) Amazon Fan, ODP Leg 201 (2002, Peru & Equatorial Pacific, as co-proponent), Meteor Exp. 67/2b with *ROV Quest*, Gulf of Mexico (2006); RV *Point Lobos* with *ROV Ventana*, Eel River Basin (1999), RV *Atlantis/DSV Alvin*, Guaymas Basin (2009)
- **Member**, Integrated Ocean Drilling Program, Science Steering and Evaluation Panel (2007-2010)
- **Member, Evaluation panels**, NASA Astrobiology Institute (2003) Washington DC; Wissenschaftsrat: Evaluation of *Bundesanstalt für Geowissenschaften und Rohstoffe* (Geological Survey, 2007)
- **Member, Scientific committee**, 23rd Int. Meeting on Organic Geochemistry, Torquay, (2007); 8th International Symposium for Subsurface Microbiology, Munich (2011)
- **Nominating host**, Humboldt-Research Award winner Prof. R.E. Summons, MIT, 12/2007 – 8/2008
- **Conference chairman**, 24th International Meeting on Organic Geochemistry, Bremen, 2009
- **Member, Editorial board**, *Geology* (2004-2006); ■ **Associate Editor**, *Organic Geochemistry* (2006 –)
- Frequent **Reviewer** for more than 20 international journals incl. *Nature*, *PNAS*, *Science*, *Environmental Microbiology*, *Geochimica et Cosmochimica Acta*, etc., ca. 20 manuscripts per year
- **Projects**, since 2001, at Woods Hole and Bremen, PI/Co-PI of more than 20 projects, funded through NASA, NSF, The Seaver Institute, WHOI – Ocean Life Institute, DFG (incl. MARUM), BMBF, EU, Petroleum Research Fund of the American Chemical Society, *Deutscher Verband Flüssiggas*, ERC
- **Principal Investigator**, DFG-Research Center/Cluster of Excellence MARUM: Research Area “Geosphere Biosphere Interactions” (2009 – 2013); ERC Advanced Grant DARCLIFE (2010 – 2015)
