

Guidelines of how to acknowledge funding through ArcTrain when submitting a manuscript for publication

Version: 11.02.2016

If you submit a manuscript, please acknowledge the funding through ArcTrain.

We would recommend the following statement:

This project was supported by the Deutsche Forschungsgemeinschaft (DFG) through the International Research Training Group "Processes and impacts of climate change in the North Atlantic Ocean and the Canadian Arctic" (IRTG 1904 ArcTrain).

In case the journal has space limitation, the title can be left out:

This project was supported by the Deutsche Forschungsgemeinschaft (DFG) through the International Research Training Group IRTG 1904 ArcTrain.

The same formulation is recommended for the work of associated PhDs as well.
