

for Marine Sciences

## MONTHLY RESEARCH SEMINAR

Topic of the month:

"A Treasure chest of knowledge" or Share your Resources

## 26 July 2019

13.00 - 14.30

MARUM I, room 2060

The idea of this seminar is that GLOMAR members share their resources that others may benefit from. These resources can be, for example, a software that you use, a mobile app that helps you to organise your work, or anything else you feel might be worth sharing.

## **Programme:**

GLOMAR member	Topic
Dharma Andrea Reyes Macaya	Getting involved in science communication – the 'Once Upon a
	Time' (OUAT) Project
