
Early Career Researcher Support Programme

Seminar

Teaching opportunities for early career researchers at MARUM

Prof. Dr. Dierk Hebbeln

MARUM – Center for Marine Environmental Sciences, University of Bremen

6 December 2022

09.00 – 10.00 hrs.

Objectives

As teaching experience is an important aspect of preparing for an academic career, early career researchers at MARUM sometimes express their wish for getting opportunities to gain such experience. This seminar will provide some background information on (i) what the difficulties in providing such opportunities are and on (ii) outlining available opportunities.

Location and Time

MARUM, University of Bremen, Leobener Str. 8, 28359 Bremen, Germany
MARUM I (main) building, room 2070

09.00-10.30 hrs.

Any enquiries regarding this seminar can be addressed to early-career@marum.de.
