

INTERCOAST / MARUM / GLOMAR Soft Skill Course:

Germany: Welcome Intercultural competence training for foreign scientists

Simone Gutbrod M.A.

ICD-Experts (www.icd-experts.net)

4 - 5 February 2013, MARUM, Bremen

Objectives

This two-day course addresses all international scientists who have come to Germany and would like to know:

- In which ways is Germany different from my own culture, and why?
- What is the mentality of the Germans?
- How do I get to know locals?
- What is the meaning of German behavior?

However, German scientists are more than welcome to participate and contribute to the course!

In this workshop, many questions will be answered to help you find your way at university, work and in everyday life and feel comfortable in Germany. Together, we will increase our cultural competence and have fun in a variable and interesting workshop.

Course Schedule

Morning (9.00-12.30) and afternoon (13.30-17.00) sessions

Location

MARUM, University of Bremen, 28359 Bremen, Germany, Room 0190
