

MARUM / GLOMAR Soft Skill Course:

Germany: Welcome

Intercultural competence training for foreign scientists

Simone Gutbrod M.A.

ICD-Experts (www.icd-experts.net)

2 - 3 May 2012, MARUM, Bremen

Objectives

This two-day workshop is aimed at all international scientists who have come to Germany and would like to know:

- In which ways is Germany different from my own culture, and why?
- What is the mentality of the Germans?
- How do I get to know locals?
- What is the meaning of German behavior?

In this workshop, many questions will be answered to help you find your way at university, work and in everyday life and feel comfortable in Germany. Together, we will increase our cultural competence and have fun in a variable and interesting workshop.

On the third day (4 May), the trainer offers individual coaching to those who are interested. In a confidential conversation, you have the opportunity to clarify questions and seek advice. **Please state in your registration, whether you would like to take advantage of individual coaching.**

Course Schedule

Morning (9.00-12.30) and afternoon (13.30-17.00) sessions

Location
