

## ECOLMAS Introductory Course:

### **Introductory Course in Marine Sciences Part II: Biogeochemical Oceanography and Climate**

Prof. Dr. Jelle Bijma et al.

*Alfred Wegener Institute*

5 – 9 September 2011, AWI, Bremerhaven

#### **Objectives**

The aim of the course is to complement the “Introductory Course in Marine Sciences Part I” organised at the University of Bremen (MARUM) by introducing additional main fields of marine sciences, i. e. chemical oceanography, biological oceanography, marine biogeosciences as related to the carbon cycle, and climate research. The programme is multidisciplinary, i. e. all disciplines will be discussed as components of an integrated system.

#### **Location**

AWI Bremerhaven, building F

#### **Time**

09.00 – 17.00
