

**IODP**  
INTEGRATED OCEAN  
DRILLING PROGRAM

Scientific Planning Conference  
**IODP New Ventures**  
in Exploring  
Scientific Targets –  
**INVEST**

INVEST is being organized as a large, multidisciplinary, international community meeting, whose focus is to define the scientific research goals of the second phase of the IODP, expected to begin late in 2013. INVEST is open to all interested scientists and students as the principal opportunity for international science community members to help shape the future of scientific ocean drilling.

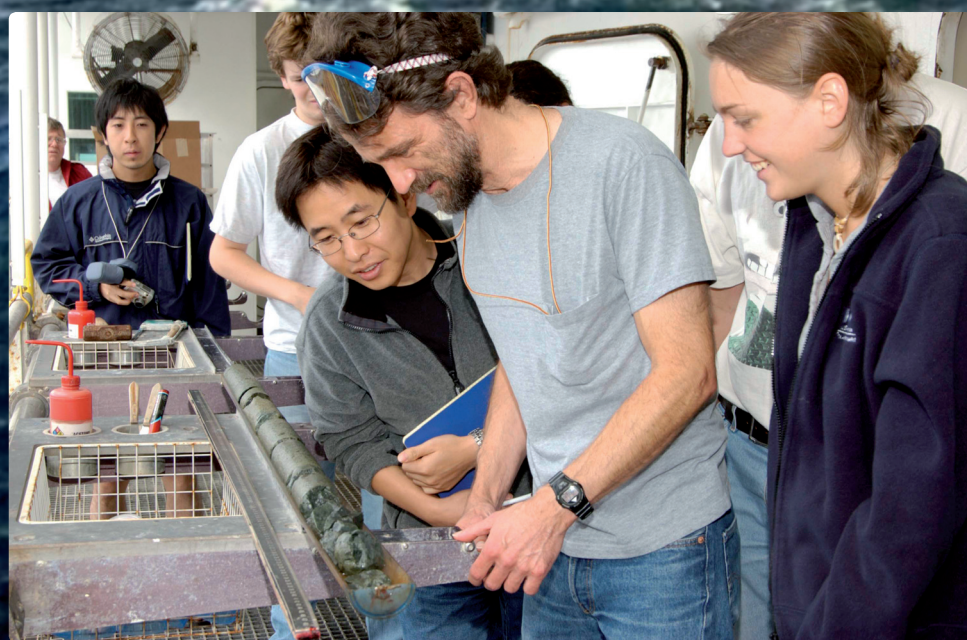

IODP Member Offices have established INVEST travel support programs.
