18.00 - BANDONION, Gertrudenstr. 37, 28203 Bremen

Dr. Ulrich Zielinski

Refratechnik Cement GmbH, Göttingen

Dr. Ulrich Zielinski is **Area Sales Manager Central and Eastern Europe** at **Refratechnik Cement GmbH** in Göttingen.

Ulrich studied **Geology and Palaeontology** at the **University of Hamburg** from 1983-1989. Following his studies, he had a contract at the **Alfred Wegener Institute in Bremerhaven** for an expedition to Antarctica.

From 1990-1993, Ulrich was a **PhD student at the University of Bremen**.

After he had finished his PhD, Ulrich worked as a geological engineer. He then had a 5 year **Postdoc** position at the Alfred Wegener Institute in Bremerhaven followed by a **research scholarship** at the University of Salamanca in Spain.

Ulrich then shifted his work base to working in industry starting with an advanced training in knowledge and information management. For the next 1.5 years, he worked freelance as trainer and information manager.

Since 2001, Ulrich has worked as Technical Sales Manager at **Refratechnik Cement GmbH** in Göttingen on a global scale. Since 2008, his operations have focused on Central and Eastern Europe.
